## Greek Letter Council Goes To Nathanael Greene Homestead

"We want a community project for our pledges." This was the plea of the members of Greek Letter Council as far back as December 9. The Council nominated Art English as chairman of a committee to investigate community project opportunities. Art reported at the following meeting that much help was needed in the restoration of the Nathanael Greene Homestead in Coventry, Rhode Island. It was then decided that all sororities and fraternities would donate 5 pledges each in a combined undertaking. Tuesday, February 18 and Thursday, February 20, were to be the big days. Unfortunately, inclement weather during "Hell(p) Week" forced GLC to give up the idea of the outside cleanup. This idea was not given up for long though, because GLC members are determined people who never fail to achieve their objective. On February 24 it was decided that GLC would again undertake this project as soon as weather permitted.

When Spring sprang, so did GLC.

Art was right on the job coordinating final arrangements between GLC, the caretaker of Nathanael Greene Homestead, and

the various news media throughout the state.

It was decided that Thursday, April 16, volunteers from each organization would meet in front of South Hall at 3:15. The volunteers were told to wear old clothes and to pack a lunch.

These instructions brought out the adventure in everyone, because at 3:15 on Thursday, 150 students, representing every fraternity and sorority on campus, gathered in the warm spring sunshine to receive last-minute instructions from the GLC President, Peter Castelli.

Full of energy and anticipation the group piled into cars and, the caravan of over 20 cars departed for Coventry.

When the group arrived on the scene they saw a small white cottage, set back from the road, surrounded by somewhat disheveled grounds.

The invasion was on. People streamed out of cars and onto the grounds in somewhat the manner of Grant invading Richmond.

The caretaker was there to assign jobs and to disburse tools and equipment. After the first arrivals had begun their tasks, it was discovered that there were not enough tools and equipment to go around.

However, this slight difficulty did not dampen spirits or hold up progress. Soon students could be seen everywhere. Trees were being chopped down, branches sawed off, leaves raked, and gardens were being hoed. What did they use for tools? Did you ever see a human wheel barrel or people raking leaves with tree branches?

There were two people who did no work. Of course, they were the *Providence Journal* reporter and the *Archway* photographer. During the whole project they roamed from place to place acquiring information and taking candid pictures.

Throughout the remaining daylight hours the group worked on.

Towards dusk 150 tired, sore students walked happily back to their cars and headed for campus filled with a feeling of self-satisfaction and accomplishment.

They left behind them a small white cottage on a hill, surrounded by grounds that even mother nature could not improve upon.

Congratulations and "Thank You" to everyone who helped to make this project the success that it was.

If you are sorry you missed such a wonderful time, don't be. The GLC plans to make a community project of this type an annual affair.

## Greeks at Work

(Photo—Jim Herens)

Three aggressive Greek Letter Council members do their part in the cleanup program at the Nathanael Greene Homestead. It has been mentioned that this type of community service project will become an annual affair for the Greeks.

## Deputy Director of U. S. Branch Of International Labor Organization Gives Interesting Lecture in Bryant Auditorium

On Tuesday evening, April 21, Bryant College continued its program of presenting distinguished persons to lecture to the student body, faculty, and friends of the college. On this occasion the school invited Mr. David S. Blanchard to lecture on the topic "The common problems of management, labor, and government on the international level."

He was introduced to the audience by Professor Sol Lebovitz.

Mr. Blanchard is the Deputy Director of the Washington, D. C. Branch of the International Labor Organization. He assumed this post in 1959 after 12 years service to the Organization as a specialist in maritime labor problems. During World War II, he served as commander of the port of Casablanca in French Morocco. He was discharged in 1945 with the rank of lieutenant colonel.

The lecture was very informative and pointed out many aspects of the I. L. O. hitherto gone unnoticed. The I. L. O. is a United Nations Agency consisting of members from 110 different countries with ten of these members coming from Communist Bloc countries. The I. L. O. was founded in 1919,

and has its headquarters in Geneva, Switzerland. President Woodrow Wilson and A. F. L. President Samuel Gompers were instrumental in guiding the United States to membership.

As is usual in organizations of this type, the United States is a large contributor of both capital and personnel. However, the United States also receives help from the I. L. O. In 1935 the organization provided momentous technical assistance as the U. S. legislated the Social Security Act.

Recent accolades have been showered upon the I. L. O. by such men as former President Eisenhower, the late President Kennedy, and Pope John XXIII. Former Secretary of Labor James Mitchell called the I. L. O. "one of our strongest weapons against Communism."

Specifically, some of the I. L. O.'s accomplishments include the banning of forced labor, the fostering of collective bargaining procedures, and the obtaining of equal pay rates for both men and women performing equal jobs.

Mr. Blanchard concluded his lecture by citing the United Nations' naming of the years 1960 to 1970 as their "Development Decade." In this light, the I. L. O. is making efforts to especially aid the under developed areas of Asia, Africa, and Latin America.

A highlight of the evening was the question-and-answer period which followed the lecture. Mr. Blanchard did an excellent job of presenting his organization to our campus.

The size and enthusiasm of the audience indicates that there are some students on campus open to intellectual development and appreciative of the school's efforts to present a well-rounded program of extra curricular activities.

## Beta Iota Beta Presents the 18th Annual May Queen Dance This Weekend

Beta Iota Beta's 18th Annual May Queen Dance is being held the weekend of May 1 and 2. Seven fraternities have sponsored candidates and constructed floats in competition for the winning trophies.

The candidates representing the seven fraternities are Elizabeth Landgren—Alpha Omicron; Elaine Nardi—Beta Sigma Chi; Joyce Jackson—Chi Gamma Iota; Wendy Merrick—Kappa Tau; Janice Cain—Phi Sigma Nu; Judy Rymell—Sigma Lambda Pi, and Elaine Banville—Tau Epsilon.

On Tuesday, April 28, the candidates were introduced in a spectacular parade of floats. The parade passed the judging stand which was located behind Gardner Hall about 9:00. An award for the winning float will be presented at the dance Saturday night. The floats will be judged for originality, beauty, coordination of unit, and general appearance. A big rally took place after the parade on the Gardner Hall Mall.

Thursday night the candidates will contest before a panel of four judges in the gym. The candidates will be rated on their ability to answer questions, poise, appearance, personality, and figure. Admission is free.

Friday, May 1, from 10:30-1:30, there will be student voting in the gym. Both the student vote and the judges' votes will determine the winner; so be sure to support the candidate of your choice.

To offer further opportunity for the sponsoring fraternities to express support of their candidates, a dance will be held Friday night from 8 to 12 in the gym. Dress will be casual. A live band will perform and refreshments will be served. Special entertainment by the "Sibbies 5" and the "Elder-Lightfoot - Solomon - Micheau -

And - His - Happy - Are - We - Chi - or - Jugband - And - Orchestra - Number - 2" are an added attraction. Admission will be \$.75 stag and \$1.25 drag.

The 1964 MAY QUEEN DANCE takes place Saturday night from 8 to 1 at the Newport Motor Inn. The "Calypso Islanders" will present the music. The Trophies will be presented to the winners of both the float and candidate contests at 11:30. Tickets may be purchased from the brothers of BIB and as a special inducement to purchase your tickets early, the frat will include tickets for the Mt. Hope Bridge to the first 100 purchasers.

## May Queen 1964

### Location and Entertainment

The Newport Motor Inn will be the site of this year's May Queen Dance. Only 40 minutes from Providence via route 114 (West Main Road) look for the Motel on the right hand side approximately 10 miles from the Mt. Hope Bridge.

The dance itself will be held in the main ball room and on the patio surrounding the pool. The ballroom is fully air conditioned and, weather permitting, the spacious patio will be opened as an additional dance floor in the cool breezes and under the stars.

Music will be by the "CALYPSO ISLANDERS," a professional band from Hartford, Conn., that is renowned for its exciting rhythm and varied moods. Those of you who attended the 1962 Winter Weekend will remember their smashing success.

The brothers of Beta Iota Beta can truly say that the 18th May Queen Dance will be the most memorable weekend of this school year.

## ATTENTION

### Members of the Graduating Class!

(May and July)

A copy of your YEARBOOK picture will be sent to your home town newspaper, together with the story of your graduation from Bryant College, at Commencement time in July.

IF YOU DID NOT HAVE YOUR PICTURE TAKEN FOR THE YEARBOOK, can you supply the NEWS BUREAU with a picture to accompany your notice? Otherwise your notice will be sent without a picture.

Also, we have only the ONE picture to send. If there is more than one newspaper in your home town, could you supply us with additional pictures?

Please bring or mail your pictures to the Bryant College News Bureau, (second floor of the Administration Building), 154 Hope Street, Providence 6, Rhode Island. Any photo or glossy print will be fine. Snapshots and Polaroid prints are not acceptable because they cannot be used by the newspapers.

All good wishes,

(Mrs.) Gertude Meth Hochberg  
Director of the News Bureau

## Deputy Director Speaks at Bryant

Dr. Lebovitz and Dr. Jacobs listen attentively as David S. Blanchard, Deputy Director of the United States Branch of the International Labor Organization, answers questions posed by an interested audience at his talk on Tuesday evening, April 21, in the College Auditorium.

## Teacher Appointments Released by Dean Mercier

Miss Jeanne F. Rivet, daughter of Mr. and Mrs. Marcel H. Rivet of Harris Avenue, Lincoln, Rhode Island, will join the faculty of the North Providence High School as a teacher of business subjects. Miss Rivet is a 1960 graduate of St. Mary's Academy, Riverside, Rhode Island.

Mr. Joseph Lopes Lagarto, Jr.,

Letters  
Box 756  
Blacksburg, Virginia  
April 3, 1964

Dear Students:

Our generation has experienced few shocks, and none have we shared more intensely and none has moved us as deeply as the death of President Kennedy. All Americans were stunned and grieved by his untimely passing, but perhaps youth felt the blow more than all the rest. He was a man who shared his youth and ideals with young people and awakened within us the challenge to find a purpose and to carry out our responsibility to our selves and to our country.

We believe that the personal letters college students wrote to friends, sweethearts, parents and others who were close to them during those days in November would indicate their true feelings and vividly describe the effect of John F. Kennedy's death upon our generation. In addition to providing a tribute to President Kennedy, these letters would serve not only as a valuable asset to historians, but would clearly depict for the future the emotional and psychological impact of the tragedy upon the thoughts of America's young people.

Because we feel that these letters are important we as individuals are collecting them for deposit in the JFK Memorial Library and have been assured by officials at the National Archives that the letters will be stored in Washington until the library is completed.

As we are college students with a limited budget, our only appeal is to students through college newspapers, and we need your support and cooperation to make this project a success. If you have saved any of the letters you received which commented upon the effects of the events in Dallas, and if you are interested in donating them to the library, please send them to:

Letters  
Box 756  
Blacksburg, Virginia 24060

If possible we would like to have the original envelope showing the postmark and date. Upon receipt of the letters, we will assemble them and forward them in a body to the National Archives in Washington, D. C.

It should be remembered that these letters will be made available for examination by competent and interested persons at the library, and thus, any personal matter may be deleted or the letter may be recopied omitting these parts. We will attempt to acknowledge all letters which are received.

We feel that if we are able to obtain an adequate number of these letters representing a fair cross-section of the U. S. college population, then our generation will be enabled to make a real and unique contribution to history, helping to paint a clearer picture of our times.

Sincerely yours,  
Thomas H. Maher

## A Letter to All Greek Letter Council Members

April 22, 1964

Dear GLC Members:

On Thursday, April 16, 1964, one hundred Greek Letter Council Members helped on the Nathanael Greene cleanup project. This project was planned and carried out with the thought in mind that GLC members of Bryant College, in a combined effort, were not so bad. At a time of Spring Weekends and other campus follies, our members undertook a project to bring good publicity to our organization and our school.

I would like to compliment each member organization of The Greek Letter Council on the cooperation that was given in this endeavor.

It was with great personal satisfaction that I walked around the grounds with *The Journal* reporter, giving him the story and letting him take some pictures.

Every Greek Letter member, from the newest February Pledge to the three- or four-year member of each Fraternity and Sorority should feel a sense of pride and honor to be associated with such a grand organization.

This year's project proved such a success, it was voted at the last Council meeting to be an annual affair.

This past year, it has been an honor to work with and a pleasure to be a part of your great organization. I know that in the coming years the Greek Letter members will continue to be an asset to their organization and to their school.

Very truly yours,  
Peter J. Castelli, President  
Greek Letter Council  
Bryant College

## 17.5% of Students Vote for Senate Officers

By Steven Kamins

On April 15, 17.5% of the student body decided who will lead the Student Senate during the coming school year. The unopposed slate consisted of:

President ..... Dick Haines  
Vice President ..... Jeff Bulman  
Secretary ..... Christina Cudak  
Treasurer ..... Bill Carter

Although there was only one slate on the ballots, room was provided for write-in candidates for all the offices. There was no attempt by any student to raise enough write-in votes to secure any of the four offices.

Dick Haines, who is the only person to hold the office of President of the Student Senate twice, expressed his hope that the students will support the new administration. With the full support of the students Dick believes the Senate can gain enough recognition from the school to be a powerful force for the good of the student body.

## BRYANT COLLEGE SCHEDULE OF FINAL EXAMINATIONS BUSINESS ADMINISTRATION DEPARTMENT

All students having conflicts between two examinations should report this fact to the Dean's Office not later than May 15. Special arrangements will be made for these cases. Except for those having conflicts, all examinations will be given at the scheduled time ONLY.

## Spring Showcase Next Production of Masquers

On Monday, May 4, the Masquers of Bryant College will present their second annual production of the year, Spring Showcase. Their last show, "Caught in the Villain's Web," a three-act "meller drama," was a great success. Spring Showcase will be even better.

Spring Showcase is a different type of show for the Masquers. This production is an attempt to give sincere talent at Bryant an opportunity to display their abilities. Spring Showcase is a variety show featuring actors, singers, dancers, and instrumentalists.

The Masquers, for their part, plan to stage four short blackouts by Ira Wallach. The first, "First Prize," is the story of Annie Wubblestein, winner of the Bradbury Baking Company's Cupcake Baking Contest. Annie wins \$50,000 but her prize-winning recipe creates a rather unique problem. Annie is played by Lesley Fleischer, the glib-speaking publicity director is portrayed by Victor Muschiano, the ulcer-ridden company president is played by Bill Chamberlain. Jean Currier and Marcia Owen are the reporters and Peter Tetreault is the photographer. Jane Walker plays the secretary.

The second blackout, "Utter Ecstasy," is the story of a sweet old lady, Miss Lovelace, who innocently tries to buy a paper-back book for a friend about to go on a trip. Miss Lovelace doesn't realize that the books that Thomas, the drug store clerk is reading to her, are the most lurid and lewd in the store. Lesley Fleischer plays Miss Lovelace, Victor Muschiano is the clerk, and Sue Favro and Louise Ruvolo play two teenagers who become more and more excited with each of Thomas' readings.

"Upper Birth" is a T.V. interview between Ted Morrow and the Snodgrass family. Mrs. Snodgrass, who majored in biology in college, is the mother of twenty-seven children. Carol Nulman plays Mrs. Snodgrass. Lindmann is Mr. Snodgrass, a children's book author. He

## Newman Club

By Malcolm C. Selver

The final weeks of the semester find the Newman Club very active. Claude Pilon, President, has started preparations for the elections of officers for the year 1964-1965.

The Newman Club has scheduled its banquet for May 14. All members are reminded to fill out their choice for meal selection.

Jack Dunham and the "Trophies" provided the entertainment at the Newman Club Dance on Saturday, April 18. Needless to say, the band brought praise from everyone. The Club wishes to thank everyone who gave his time and effort to make this dance possible.

The Newman Club would also like to thank everyone who contributed to the clothing drive. This year's drive was the most successful in years.

The picture is the "Trophies" performing at the Newman Club Dance.

wrote Tommy and His Floating Soapdish; that was a best seller. Bob Nelson is Ted Morrow, Peter Tetreault is drunken Uncle Willie, and Bruce Broadbent is the delivery man.

The last blackout, "The Ingenue," is a takeoff on actors, producers, and playwrights. Merkle, the producer, and Bodmer, the playwright, are completely enthralled by Chickie Popjoy, a prime example of the "method actor" to whom everything in life must have a meaning. The kookie Chickie Popjoy is played by Carol Nulman. Sally Foote is the sweet, innocent actress, Amanda Claxton. Bill Chamberlain plays the worldly producer, Wallingford Merkle; and Paul Lindemann is the playwright, Clifford Bodmer. Bruce Broadbent is the delivery man.

The Band has worked up a very entertaining program of songs ranging from modern folk music to the more standard instrumentals. The Glee Club will sing many popular songs of the day and then a few songs on a more sophisticated level.

## A ROBE BY ANY OTHER NAME

With the Commencement Day just a couple of short months away, the question on everyone's lips is: "How did the different disciplines come to be marked by academic robes with hoods of different colors?" Everybody is asking it; I mean everybody! I mean I haven't been able to walk ten feet on any campus without somebody grabs my elbow and says, "How did the different disciplines come to be marked by academic robes with hoods of different colors, hey?"

This, I must say, is not the usual question asked by collegians who grab my elbow. Ordinarily they say, "Hey, Shorty, got a Marlboro?" And this is fitting. After all, are they not collegians and therefore loaded with brains? And does not intelligence demand the tastiest in tobacco flavor? And does not Marlboro deliver a flavor that is uniquely delicious? And am I not short?

But I digress. Back to the colored hoods of academic robes. A doctor of philosophy wears blue, a doctor of medicine wears

Why, Why?

green, a master of arts wears white, a doctor of humanities wears crimson, a master of library science wears lemon yellow. Why? Why, for example, should a master of library science wear lemon yellow?

Well sir, to answer this vexing question, we must go back to March 14, 1844. On that date the first public library in the United States was established by Ulrich Sigafos. All of Mr. Sigafos's neighbors were of course wildly grateful—all, that is, except Wrex Todhunter.

Mr. Todhunter had hated Mr. Sigafos since 1822 when both men had wooed the beautiful Melanie Zitt and Melanie had chosen Mr. Sigafos because she was mad for dancing and Mr. Sigafos knew all the latest steps—like the Missouri Compromise Samba, the Shays' Rebellion Schottische, and the James K. Polk Polka—while Mr. Todhunter, alas, could not dance at all, owing to a wound he had received at the Battle of New Orleans. (He was struck by a falling praline.)

Consumed with jealousy at the success of Mr. Sigafos's library, Mr. Todhunter resolved to open a competing library. This he did, but he lured not one single patron away from Mr. Sigafos. "What has Mr. Sigafos got that I have not?" Mr. Todhunter kept asking himself, and finally the answer came to him: books.

So Mr. Todhunter stocked his library with lots of lovely books, and soon he was doing more business than his hated rival. But Mr. Sigafos struck back. To regain his clientele, he began serving tea at his library every afternoon. Thereupon Mr. Todhunter, not to be outdone, began serving tea with sugar. Thereupon Mr. Sigafos began serving tea with sugar and cream. Thereupon Mr. Todhunter began serving tea with sugar and cream and lemon.

This, of course, clinched the victory for Mr. Todhunter because he had the only lemon tree in town—in fact, in the entire state of Maine—and since that day lemon yellow has, of course, been the color on the robes of masters of library science.

(Incidentally, the defeated Mr. Sigafos packed up his library and moved to California where, alas, he failed once more. There were, to be sure, plenty of lemons to serve with his tea, but, alas, there was no cream because the cow was not introduced to California until 1937 by John Wayne.)

© 1964 Max Shulman

Today Californians, happy among their milch kine, are enjoying filtered Marlboro Cigarettes in soft pack or Flip-Top Box, as are their fellow Americans in all fifty states of this Marlboro Country!

## Freshman Outing

By Jerry Greifer

On Friday, April 24, the Freshman Class had an outing consisting of a boat ride and a dance. The Viking, a ferry boat out of Newport, departed from the State Pier in Narragansett at 8 P.M.

While the boat was cruising through Narragansett Bay, the Freshman Class was enjoying music, dancing, and refreshments along with the beautiful scenery. The Freshman Class has displayed much spirit and enthusiasm this semester.

The system of collecting class dues and the planning of this outing under the fine leadership of President Steve DiStefano are two fine accomplishments. The outing ended at 12 P.M.

## Choralaires News

By Dorothy Oldfield

New officers were elected at a meeting on April 8. They are as follows: President, Ken Levine; Vice President, Larry Levine; Secretary, Marsha Fiske; Publicity Director, Barbara Rohloff; Music Committee Ron Parnigoni, Gail Hamlin, and Arlene Storm.

The President's Reception held on April 26 was opened with a few selections by the Choralaires.

It has been planned to hold the annual banquet at the Oaks Tavern on Friday, May 15.

Plans are being made for an outing during the summer semester sometime in June.

Last Sunday

## President's Reception And Tea

By Judy Rymell

Last Sunday afternoon, April 26, 1964, Bryant College presented its President's Reception and Tea for all senior girls and their parents. The program began at one o'clock after a welcoming address by Carol Squillante, the Senior Class Secretary.

Several committees of sophomore girls, under the guidance of Dean Castronovo, worked diligently to make the tea a memorable occasion for the seniors. These girls certainly deserve recognition for all the work they put into the planning and preparation for the tea to help make it a success. The following list is of the different committees and their co-chairmen, who worked together to organize all the arrangements for the tea:

Entertainment Committee—  
Celine Melchiorri and Patricia Russo  
Flower Committee—  
Joyce Harnois and Rosemary DiBlasio  
Reception Committee—  
Elaine Nardi and Diane Palacz  
Open House Committee—  
Marie Cataldi, Teresa DeVona, and Geraldine Moniz

The program began at 1 p.m. with entertainment provided by the Bryant Choralaires, under the direction of Professor Richard F. Alberg, and the Bryant Masquers, directed by Professor David M. Brooks, Jr. A reception was held at 1:30 p.m. in the refectory, following the entertainment.

Pourers for the tea were Miss Moulton, Mrs. O'Connell, Mrs. McLaughlin, Miss Cronk, Mrs. Garber, Miss Glidden, Miss Gallant, Mrs. Cote, Mrs. Patterson, Mrs. Pendergast, Miss Anisewski, and Dr. Keefe. Finally, open house began at 2:30 p.m. Tours of the women's dormitories and the campus buildings were conducted by the Open House Committee at this time.

It was anticipated that the President's Reception and Tea, as one of the final events of the year for the senior girls, would be as successful as it has been in the past years. The sponsors looked forward to seeing all senior girls and their parents here on the Bryant College campus last Sunday.

## Spring Showcase

(Continued from Page 4, Col. 2)

The Sibbies, winners of TE's folk singing contest, are rehearsing a fine program. "The Elder-Light-foot - Solomon - Micheaux - and - His - Happy - Are - We - Choir, Orchestra - and - Jug - Band, - Number - III" has prepared a very humorous presentation. Sigma Lambda Theta, led by Lesley Fleischer has prepared a comic singing routine called "Take Back Your Mink."

The preceding is merely a brief rundown of some of the talent to be presented on May 3.

The Masquers will also stage one of the blackouts, "First Prize," for the President's Reception to be held on April 26.

Congratulations are to be extended to the new officers of the Masquers elected April 22. The new officers are President, Bill Chamberlain; Vice President, Paul Lindemann; Treasurer, Peter Tetreault; Secretary, Judy Candelet; Historian, Barbara Warren; and Publicity Director, Ellen Bain.

Obviously, The Masquers have been very busy lately. The whole purpose of all this activity is to make it possible for the Masquers to present to you, the student body, the best possible show. Attend the Masquers production, Spring Showcase, May 3, and you will be treated to a very enjoyable evening.

## Attention:

## Bryant College Ski Club Sports Car Buffs

By Bill Carter

At 11:00 A. M. on Sunday, May 3, 1964, the first sports car will leave the starting line to compete in the first Historical Rally presented by the Bryant College Ski Club.

This event is open to all sports car drivers and interested persons. Registration will begin at 10:00 A. M. at the First National parking lot on Pitman street directly behind the College. A drivers' briefing meeting will be conducted at 10:30 A. M., and the first car will leave the line at 11:00. The event is intended to last about three hours and will be conducted on the roads and byways of the state of Rhode Island. The final destination will be announced at the Drivers' meeting on Sunday; it will be at one of the beaches along the South Shore of the state.

A preliminary drivers' meeting will be held on Thursday, April 30, at 3:00 P. M. in Room K-1 (Kilcup Hall). The rally is NOT a speed event. The winners will be determined from the mileage recorded during trip.

The cost is only \$2.00 per car, and the event is planned to be easy enough for the novice and competitive enough for the expert. Support the Bryant College Ski Club on Sunday, May 3, and help make this Historical Rally a huge success.

## Surfing Spectacular To be Shown At Bryant College

On Thursday, May 7, at 7:30, the 90-minute technicolor film "SURFING HOLLOW DAYS" will be presented in the auditorium.

The film, which features outstanding surfers from the Pacific Coast, Mexico, Australia, and New Zealand, is one of the best films ever produced by Bruce Brown of Dana Point, California. Mr. Brown, world acclaimed lecturer, photographer, and surfer, was recently a guest on the Jack Paar Show and many of his films have been used by the National Broadcasting Company as well as other syndicated television programs.

Admission to this event will be \$1 per person, which is a substantial reduction in price as compared to that charged where the sport has achieved great popularity such as in California. During the intermission there will be a drawing for door prizes.

For 90 exciting minutes of thrills and laughs, be sure to attend this surfing spectacular presented by the Circle K Club.

## Vets Offered Good Break

Veterans in good health and under 60 holding National Service Life Insurance (NSLI) still have the opportunity of buying a low cost total disability income rider for their GI policies.

Policyholders who become totally disabled from any cause before age 60 and while their rider is in effect, will receive an income of \$10.00 per month for each \$1,000 face amount of their GI policies.

Payments under the rider begin after the total disability has existed for six consecutive months, and continues for the duration of the disability, regardless of its length. No payment may be made for disabilities incurred after age 60, and no premium charge is made for this benefit after that date. The premium cost of the rider varies with the policyholder's age, type of policy, and its face amount.

Veterans whose age at nearest birthday is 40 or less may get the rider without physical examination. Those older are required to submit to a physical examination by either VA physicians or their own local physicians. Further information and application forms may be obtained at any VA Regional Office.

USAF F-105, unleashing air-to-ground rockets at simulated enemy target.

## School's Out.

Right now, graduation seems way off in the wild blue yonder. But it's not too early to start planning. In the future, you'll look back on decisions you make today with satisfaction... or regret.

What can an Air Force career mean to you in tangible gain? The opportunity to take on executive responsibilities you might otherwise wait years to attain. And a head-start into one of a wide range of possible careers in the exciting Aerospace Age.

As an Air Force officer, for example, you may be flying a su-

personic jet...helping to keep America's guard up. Or you may be in an Air Force laboratory, working to solve an intricate scientific or technological problem.

Doing jobs like these, you can hold your head high. In addition to being essential to your country, they're the beginnings of a profession of dignity and purpose.

For more information, see the Professor of Air Science.

If there is no AFOTC unit on your campus, contact your nearest Air Force recruiter.

**U.S. Air Force**

# Bryant Sports

## Tee Off

By Sheldon Scherer

**A Strong Fight But a Losing One**  
The Bryant College Golf Team started with a rather uneventful beginning against New Bedford Tech on April 9. The team of Bob Bancroft, Shelly Scherer, Walt McMann, Pete Sodafsky, and Pete Penotis fought high winds and flooded fairways in an attempt to gain a victory for Bryant. All of the team members went down to defeat on the wet and soggy course. The team as a whole fought hard all the way, and most of the matches went down to the final holes.

### Bryant Wins Easily

In the second match, against Rhode Island College, the golf team played through torrential downpours in order to gain a 12-3 victory for Bryant. The Nassau method of scoring was used. The Nassau method of scoring is as follows: one point for the front nine, one point for the back nine, and one for total score. All of the members of the team really gave a great showing in spite of the inclement weather. The golf team will soon be known as the "mudder" rather than golfer if we play any more matches under the same conditions we have played the first two. In this match the team was led by Captain Shelly Scherer, Dick Sorel, Bob Bancroft, Bruce Wilson, and Pete Sodafsky on to a mighty victory in spite of the extremely poor conditions.

On the final hole Bob Bancroft and his opponent were forced to putt on a green that had an inch of water lying on it. Another example of the poor conditions was on the sixteenth hole when both

## Basketball Playoffs: Intramural League

By Richard Zuromski, Fred Ricci, Wm. Fauro

### Semifinal in Fraternity League

As the time came to square off for the Fraternity Basketball Playoffs, the top four teams were KT, BEX, TE, and BIB respectively. Beta defeated BIB in a tight contest with a final score of 15-13. In the first semifinal game the scoring honors for the night went to TUTE with 8 and BILL CONATY with 7.

In the second semifinal game KT won. At half-time the score was 24-10. Bob Bancroft and Felix Swintak were high scorers with 16 and 14 respectively.

### League Championship

KT and BETA met for the league championship. KT led at half-time 22-7. Swintak had 19 to KT's 22 points. BETA came back strong in the second half, but as the buzzer sounded, the score was 33-23 in favor of KT. SWINTAK was high for KT with 23. CARMELA was high for BETA with 11 points of which 8 were made in the second half.

### Independent Semifinal Contests

The X's, with a 7-0 season record, led the independent league with the Gardner, Wildcats, and the Warlocks in 2nd-3rd-and 4th places.

The X's beat the Wildcats in the first semifinal 38-29. Although the half-time score was close (21-17), the X's broke away in the second half led by the shooting of Charlie Andrade with 16 and Joe Tenori with 9. Also, strength on the boards was provided by Joe Silverman. The top men for the Wildcats were Gentile with 15 and Doraz with 10.

The second semifinal game between Gardner 3rd and the Warlocks was a real thriller. Although the Warlocks led at half-time by four points, Gardner 3rd came back strong in the second half and put the game into overtime with a score of 36 all. In the overtime, Gardner 3rd outscored the Warlocks 10-5 despite all efforts. Paul Cherkas and Brady were high for Gardner 3rd with 11, while young Dick Gull led all with 18 points. Scotty Robertson and Nicholson led the Warlocks with 13 and 10 points.

### Independent Championship Game

The final game brought the X's and Gardner 3 into the spotlight to fight for the championship. After an attack by Joe Tenori with 10 points Charlie Andrade with 8,

Shelly Scherer and Dick Sorel hit their drives into giant puddles of water in the middle of the fairway resembling a lake. In order to move out of the water they had to go back almost to the tee to be able to hit their second shot. All of the players experienced similar situations, but were not hindered in their fight to win for Bryant. The whole team is looking forward to a very successful season led by their coach, Mr. Arch Boulet, who is donating his time to get a golf team underway at Bryant.

A box score of the Rhode Island College match in points and in order of position played on the team:

1. Sheldon Scherer, Bryant, over Bob Sutcliffe, R.I.C.: 3-0
2. Bill Niciynski, R.I.C., over Dick Sorel: 2½-½
3. Bob Bancroft, Bryant, over Barry Schwab, R.I.C.: 3-0
4. Bruce Wilson, Bryant, over Tony Caruabio, R.I.C.: 2½-½
5. Peter Sodafsky, Bryant, over Brain Egan, R.I.C.: 3-0

## SIB 1964 Sorority Basketball Champs

By Claire Bosma

On March 31 in the Bryant Gym four sorority basketball teams, SIB, KDK, SIC, and Beta Sigma Gamma, competed for the championship title. Of the four teams competing, SIB in its match against KDK, scored 20 to claim the trophy and the well deserved title of 1964 basketball champions.

SIB's outstanding players Mary-Anne Babilewicz and J. Quinlan, scored 11 and 6 points respectively. The success of SIB's victory is attributed to the team's excellent coaching, shooting accuracy, and defensive moves. KDK fought hard but fell short, holding down second place honors. SIC took third place by a score of 29-6 against Beta Sigma Gamma in the decisive third- and fourth-place match.

All four teams played hard but never lost sight of the true meaning of sportsmanship.

Salesbury with 8, and Silverman with 6, the X's won 35-29. The scoring punch for Gardner 3rd was thrown by Dick Gull with 12 and Brady with 8.

The X's are the 1964 Independent Champions with a season record of 9-0.

### Fraternity-Independents Clash

On Tuesday, April 14, the Bryant Gymnasium was filled with excitement as the undefeated independent team known as the X's finished the playoffs by defeating Kappa Tau fraternity champs, 51-41.

The first half of the game was a scene of excitement as the X's maintained a slight lead of 4 points. Then with two minutes left in the first half, George Lasher of Kappa Tau made the basket that placed KT in the lead. The score at half-time was KT 27, X's 24.

The second half began with 6 straight points through the combined efforts of Charlie Andrade, Joe Silverman, and Harry Erickson. The moment of effort for the determined X's was observed when Silverman scored easily from around the key area. With his efforts the team was able to build a lead that was never surpassed. At the final buzzer the score read X's 51 — KT 41.

## KT Wins Bryant Ten Pin Crown

By Chuck Grundman

Kappa Tau, led by Steve Richmond, Gary Van Wie, Bill Corne, and Bill Maguire, has won the 1963-64 Bryant Ten Pin Bowling title. Only one-half game behind in second place was Phi Sigma Nu.

KT's win climaxed the most successful year in the history of the league. It was a fight to the finish for KT who had to come from behind in the last two weeks to win the title. Going into the last week any one of three teams could have won, and it took some good bowling on the part of Bill Maguire of KT to fight off the challenge of Phi Sig. The win should help KT in their bid for the George E. Richards trophy.

### Records Topped

The season produced two new all-time records. Both of these were by Bill Carter, our "Great Father of the Bowling Lanes." Bill set a new high average of 182. This is ten pins higher than any other previous average. He also set a new high three-game series of 634. This beat the previous high by twenty pins. Both of these new records will be hard to beat in the future.

**Eleven-Week Leaders Lose Title**  
The year also produced a few surprises. The biggest surprise was that AO was in first place for eleven weeks, and remained in contention right up to the last week. This is quite a feat considering that they had never entered a team in the league before. With a little luck they could have easily won the title.

# Bryant Smashes Curry 20-1

By Mike Howrlika

After absorbing a humiliating practice game defeat at the hands of Rhode Island College, the Bryant Indians rebounded to a 20-1 victory over Curry College on Thursday, April 16. The Indians rapped out 15 hits, while committing only one error.

## Spring Sports To Decide Richards Trophy

By Scoop Richmond

Horseshoes, tennis, and badminton will conclude the intramural sports events for the 1963-64 season. With 75 points separating the top two fraternities for the George A. Richards Trophy, these three sports put the trophy up for grabs.

The word "Ringer" has become the most popular word on the campus the last two weeks. With several "Horseshoe pits" set up in key locations, each fraternity, plus many independents, have been practicing with each player claiming himself the champ. All eight fraternities and three independent teams have entered the competition which commenced on April 20. The quarter-finals will be played from April 28 until the evening of April 30. The semi-finals on May 2 and the finals will be completed by May 6. The winners will be acclaimed the FIRST Bryant College Horseshoe Champions.

Each fraternity will receive 5 points for a victory, and the top two teams will receive 50 and the second place team will receive 3/5 of 50 points towards the fraternity trophy.

The doubles tennis tournament will be run so that both fraternities and independent teams will have their own separate single elimination league. The eight fraternities began playing the quarter-finals on April 20. The semi-finals will be completed by April 30, and the two finalists will square off on May 6.

The point system will be run the same as in horseshoes, with the winning fraternity receiving 50 points and the second place team receiving 3/5 of 50. Each victory will also give 5 points to the winner.

The six independent teams will have the same schedule for playing, with the winner between teams 5-6 drawing a bye into the finals. There will be no points awarded for a victory.

The badminton tournament will start as soon as the facilities are completed for competition. This tournament will be run under similar circumstances as horseshoes and tennis.

I'm sure everyone feels that we had a lot of fun this year along with some good bowling. It's going to seem awfully quiet though, not hearing Ken Mack and Pete Sodafsky yelling at the pins for not falling. I'm sure Dave Scranton will be back with his team next year to make another try at the title that has eluded him for two years. There's also talk that our "Great Father" (Bill Carter) went out recruiting for next year's team and that the NCAA might investigate, but we'll have to wait for the official word on that. Many thanks go to Joe Nowak for doing a great job as secretary and to wish him all the luck on bowling his 220 games against someone else. In closing I would like to say one thing, AO that's the way the pins fall.

Bryant jumped out to a 4-0 lead in the first inning when Dick Smith drew the first of his two walks in the game. Jim Dingwall then received the benefit of a fielder's choice as Smith advanced to second. "Scarf" Janik then stroked the first of his two singles for the day, loading the bases. After Bob Barker had popped out, Smith scored on a wild pitch with Dingwall and Janik each advancing a base. Dingwall then scored on a passed ball, and Bob Yurkon drew a walk. With Janik at third, Yurkon stole second, and when Tony DeQuattro hit into a fielder's choice play which misfired, he scored. Yurkon then scored on a passed ball for the final Bryant run of the inning.

Bryant scored twice in the second, three times in the third, and once in both the sixth and seventh. In the eighth, Jim

Zorbo hit one of his two doubles, this one good for two of his four RBIs, as the Indians scored three more runs. Zorbo also had a single to go three for five on the day. Bob Yurkon contributed a double and a single in five trips to the plate for two RBIs.

Also hitting the RBI column were Bill Conaty with one, DeQuattro with two, Brian Drought with one, and Janik and Smith with two apiece. Conaty's RBI came in the big six-run ninth inning for Bryant, when Buzz in a pinch hitting role, ripped a single up the middle for the final run of the contest.

In the fielding and pitching departments, there were many outstanding performers. Len Nicolosi, Bryant's answer to Sandy Koufax, pitched masterful ball for all nine innings in holding Curry to one unearned run on four hits. Len also struck out eleven batters. Len helped his own cause out considerably, by making two fine fielding plays from the mound, as well as going three for five at the plate. Brian Drought made two fine plays in right field, and Tony DeQuattro's play around first was also outstanding. The rest of the team played steady ball throughout the game to make the victory a real team effort. As the paper goes to press, the Indians are scheduled to open their home season against the Quonset Flyers on April 23. Watch for the next issue for news of how the team fared.

**Indian Instances**—This reporter would like to congratulate Bill Favro on the fine job that he did in keeping track of the bats and helmets at the game. "Scoop" spent more time on the Curry side of the field trying to get the pinch hitters straight than he did on the Bryant side. In closing, I would like to mention that the Assistant Manager and the Statistician have decided to Award the "Cheek of the Week" to Jeff "medium rare bacon" Seigel for obvious reasons.

The top teams in Region I were from North-South Brown University and East-West Brown University and Bryant College.

The local campus winners were at Brown University Richard Baum and Jerry Dubnoff North-South and Normand Mandelbaum and Mel Sohn of East-West.

The tournament is sponsored by the Association of College Unions and directed by Edward J. Ritter, Director Student Union, Bradley University, Peoria, Illinois.

## 1964 Collegiate Bridge Champions Announced

Of the 1600 college students that took part in the Association of College Unions 1964 National Intercollegiate Bridge Tournament, Oregon State and University of Texas boast the nation's top collegiate bridge players.

A team from University of Texas were the national champions on the North-South boards. They are Dan Leightman and George E. Kirkwood who were the only pair to earn a score of 100 points.

The East-West champions at Oregon State were Dale Forster and Jeff Taylor who earned a score of 89 points.

In second place North-South there was a tie between Illinois State University and Indiana University. Bob Hansen and Ray Raser of Illinois State University and Everett Hatch and Steve Clark at Indiana University. Both teams had a score of 88 points.

The second place winners on the East-West board were Michael Krevon from Brown University and Jeff Zions of Bryant College with 83 points.

In this duplicate Bridge tournament, conducted annually since 1940, the contestants play prepared hands for which par scores have been established. This year more than 145 colleges, universities and junior colleges entered the tournament.

May Queen Candidates

SIB's Champion Basketball Team

1964 Baseball Team

Bowling Champs

Independent Basketball Champs

Fraternity Basketball Champs

# MAY QUEEN CANDIDATES

## Sigma Lambda Pi

Candidate: Judy Rymell  
16 Allard Street  
Warwick, Rhode Island

Age: Nineteen Years Old

High School: Warwick Veterans Memorial High School

Graduated: 1962

### Activities:

1. Girls' Bowling Club
2. Future Teachers of America Club
3. Rhode Island Honor Society

### Bryant:

1. Teacher Education Program

### Activities:

1. Archway Staff
2. Dean's List

### Hobbies: Music

### Ambition:

To become a teacher of business in high school.

## Alpha Omicron

Candidate: Elizabeth Landgren  
12 Elm Street  
Seymour, Conn.

Age: 19 Years Old

High School: Seymour High School

### Activities:

1. Drama Club
2. Archery Club
3. Junior Play Committee and Cast
4. Delegate to the U.N.E.S.C.O. Contest
5. Assistant Manager of the Yearbook Committee
6. Writer for the School Newspaper

### Second Semester at Bryant:

Member of the Bryant Christian Association; on the Dean's List

### Hobbies:

Water Skiing, Skin Diving, Boating, and Horseback Riding

Ambition: To be an Accountant

## Kappa Tau

Candidate: Wendy Merrick  
Sagamore Terrace  
Westbrook, Conn.

Age: 20 Years Old

High School: Westbrook High School

### Activities:

1. Cheerleader
2. Glee Club
3. Secretary Freshman and Senior Class
4. Art Editor Yearbook Staff

### Activities at Bryant:

1. Executive Secretarial Curriculum
2. Bryant Christian Association
3. Dorm Council

Ambition: Work in Government

## SIB Quintet Winners of 'Hoot'

One of the highlights of Tau Epsilon's Mr. Bryant weekend was the hootenanny which took place in the Bryant gym on Saturday, April 4. The different Greek organizations each entered a folk group in the hoot. The groups were then judged by a panel of impartial judges. Trophies for first and second place were then awarded to the winning parties.

The judges chose the Sibbies 5 of Sigma Iota Beta sorority as first place winners. The group consists of five SIB sisters: Brenda Billings, Claire Bosma, Chris Cudak, Megsie Sanford, and Sue Taveira. Megsie and Claire are members and two of the founders of the Emanons, Bryant's original folk group. All the girls love to sing.

The Sibbies are the brainchild of N. Manchester, president of SIB, who said, "Someone is needed to win the first place trophy at the Mr. Bryant Hoot, so you five are going to sing." The group was then organized one month before the hoot, for the prime purpose of winning it. The Sibbies practice once a week after school hours. They do all their own arranging, and are in the process of adding songs to their growing repertoire.

The group's chief critics are the sisters of SIB, who offered criticisms and suggestions before the winning performance. The uniform of the group consists of a blue A-line skirt and white sweater with the SIB insignia. This uniform is the Monday sorority dress. The group plans to stay organized solely for sorority purposes, and to assist at all sorority functions. The Sibbies 5 are a non-profit making organization.

Raphael Mitchell won the second place trophy for his fraternity, Sigma Lambda Pi. Ray loves music. When he sings, he is usually accompanied by a piano, but at the hoot he sang "Banks of the Ohio," and "Man Come Into Egypt" without accompaniment. His performance at the hoot was his second performance alone before an audience.

### Teacher Appointments

(Continued from Page 1)  
son of Mr. and Mrs. Joseph Lopes Lagarto, Sr., of 18 Magnolia Street, Bristol, Rhode Island, will join the faculty of the Portsmouth High School as a teacher of junior-senior business subjects. Mr. Lagarto is a graduate of Bristol Senior High School.

Miss H. Ernestine Burke, a daughter of Mr. and Mrs. Ernest L. Burke of 718 High Street, Cumberland, Rhode Island, will join the faculty of the Cumberland High School as a teacher of business subjects. Mr. Lima is

## Beta Sigma Chi

Candidate: Elaine Nardi  
118 Colorado Ave.  
Torrington, Conn.

Age: 20 Years Old

High School: Torrington High School

### Activities:

1. Science Club
2. Italian Club
3. Melpothalian Dramatic Club
4. Future Teachers of America
5. History Forum
6. National Honor Society
7. Student Advisory Board

Bryant College: Fifth Semester

### Activities:

1. Sigma Lambda Theta—Activities Director, President
2. Greek Letter Council
3. Grand Marshall for the Graduating Class of 1963
4. Cheerleader
5. Newman Club—Executive Board
6. Vigilante
7. Dorm Counsellor
8. Best Dressed Girl on Campus, 1964
9. Co-chairman of the Reception Committee for the Presidential Tea

Ambition: Teaching Secondary School.

ly for sorority purposes, and to assist at all sorority functions. The Sibbies 5 are a non-profit making organization.

Raphael Mitchell won the second place trophy for his fraternity, Sigma Lambda Pi. Ray loves music. When he sings, he is usually accompanied by a piano, but at the hoot he sang "Banks of the Ohio," and "Man Come Into Egypt" without accompaniment. His performance at the hoot was his second performance alone before an audience.

Ray never took formal voice lessons. He has been singing for as long as he can remember. In high school he was very active in many choirs. Among them were his church choir, his high school choir, of which he was Vice President, the Hartford Inter-High Choir (which was made up of students from Hartford high schools), of which he was president, and the Connecticut All State Choir. When he graduated from high school, Ray received the music award which was presented to the student who had done the most to draw the attention of the school's student body to the musical activities of the school.

For his future career, Ray was torn between business and music school. He finally decided to come

subjects. Miss Burke is a 1960 graduate of Cumberland High School.

Mr. Dennis R. Lima, son of Mr. and Mrs. Joseph Lima of 68 Sanford Street, East Providence, Rhode Island, will join the faculty of the Somerset High School, Somerset, Massachusetts, as a teacher of business subjects. Mr. Lima is

## Phi Sigma Nu

Candidate: Janice L. Cain  
233 Longhill Ave.  
Somerset, Mass.

Age: Eighteen Years Old

### High School Activities:

1. Majorette 3 Years, Head Majorette 1
2. Vice President 2 Years
3. Girl Councilor 1 Year
4. Student Council 3 Years
5. Basketball 3 Years
6. Mixed Chorus 2 Years
7. Field Hockey 1 Year
8. Library Associate 3 Years

### Bryant Activities:

1. Executive Secretarial Course
2. Newman Club
- Ski Club
- Sigma Iota Chi Sorority

### Future Plans:

After graduation, I would like to work as a secretary in an insurance agency.

## Sigma Lambda Pi

By Peter Berman

Sigma Lambda Pi and Beta Sigma Gamma held their Pledge Banquet at the Chalet in North Providence on April 18. As the evening progressed, certificates of appreciation were awarded to Peter Castelli—President, Steven Kamins—Vice President, Bruce Kerzner—Treasurer, Anthony Palombo—Secretary, Thomas Ferrarotti—Pledgemaster, Frank Brown—Athletic Director, and Joseph Minio—Historian. The new officers were also sworn in. The new administration is Thomas Ferrarotti—President, James Mogan—Vice President, Anthony Palombo—Treasurer, Raphael Mitchell—Secretary, Alan Haas—Pledgemaster, Gary Cramer—Athletic Director, Howard Paskow—Chaplain, and Peter Berman—Historian.

Graduating Paddles were awarded to Theodore Arena, Jeffrey Berman, Frank Brown, Bruce Kerzner, Jimmy Guy, William Piccerelli, Robert Small, and Arnold Stairman.

We would like to wish our May Queen Candidate, Judy Rymell, all the luck in the world.

to Bryant, feeling that he would participate in the musical activities here at the college. Upon graduation from Bryant, Ray hopes to become a court stenographer. Ray certainly deserves much credit for his winning performance and his reflection of the true meaning of Greek brotherhood.

a graduate of Hope High School, Providence, Rhode Island.

Miss Judith Ann Volpe, daughter of Mr. and Mrs. Al Volpe of Lincoln Avenue, North Providence, Rhode Island, will join the faculty of Coventry High School as a teacher of business subjects. Miss Volpe is a graduate of North Providence High School.

## Tau Epsilon

Candidate: Elaine Banville  
57 Rodney St.  
New Bedford, Mass.

Age: Eighteen Years Old

### High School Activities:

1. Cheerleader
2. Student Government
3. Vice President Senior Class
4. Senior Prom Committee
5. Glee Club
6. National Honor Society
7. National Business Honor Society

### Activities at Bryant:

1. Newman Club
2. Kappa Delta Kappa Sorority
3. Ski Club
4. Dormitory Council

### Ambition:

To become an executive secretary.

## Phi Upsilon

By Lucille Weissmuller

Chi Gam has high hopes for another trophy, for Joyce Jackson is their candidate for May Queen. Joyce has also been nominated for the "Best Sister of the Year" award which will be announced at the Pledge Formal. Her two friendly rivals for this honor are Elaine Horta and Lucille Weissmuller. Also to be announced at the Pledge Formal is the "Best Pledge of the Year."

The remainder of Phi U's officers for next year are Alumnae Secretary, Linda Poole; Assistant Treasurer, Lois Tammelleo; Pledge Mistress, Gloria Giaccia; Athletic Director, Judy Jenkins; Chaplain, Jane Goldberg; Sergeant at Arms, Carol D'Angelo; Historian, Janet Page; Jeweler, Judy Seyboth; Community Service Chairman, Betty Ritchie.

Phi U and Chi Gam participated in the Nathanael Greene Homestead cleanup on Thursday, April 16. Plans are also underway for a trip to the Cape on Memorial Weekend.

### HAVE SCOOTER?

WILL TRAVEL, WORLD'S FAIR.

March 22, 1964

If you have a scooter and would like to join us, contact Joe Alfred as soon as possible. There are now six of us going from Bryant and four others.

## Scholarships

(Continued from Page 1)

### FELIX A. MIRANDO SCHOLARSHIP

This scholarship and award of \$100 made to a first-year student in Business Administration who has demonstrated seriousness of purpose, competency in business subjects, and the study and work attitudes necessary for executive leadership. Peter E. Noyes is the recipient of this award.

### JOHN LOGAN ALLAN SCHOLARSHIPS

Two scholarships of \$450 have been awarded to members of the Business Administration Department who have been enrolled for at least one year. John W. Flynn and John McKiernan have been chosen as the recipients of this award.

### HARRIET E. JACOBS SCHOLARSHIPS

Six scholarships of \$250 each have been awarded to members of the Secretarial Department who have been enrolled for at least one year. The recipients are Carolyn Krejewski, Patricia McGee, Christine A. Merritt, Maureen O'Connor, Claire M. Sansoucy, and Susan K. Somers.

These scholarships will be used during the academic year 1964-65. The basis for the selection of these awards is scholarship, future promise and financial need.
